TV CAMERAS brought the parade to the home audience from a variety of angles. The empty seats in Washington dramatized the absence of many who learned that it was easier to sit at home and avoid the crowd and the travel. It was a smaller crowd than 1953.

DR. KENNETH MCFARLAND

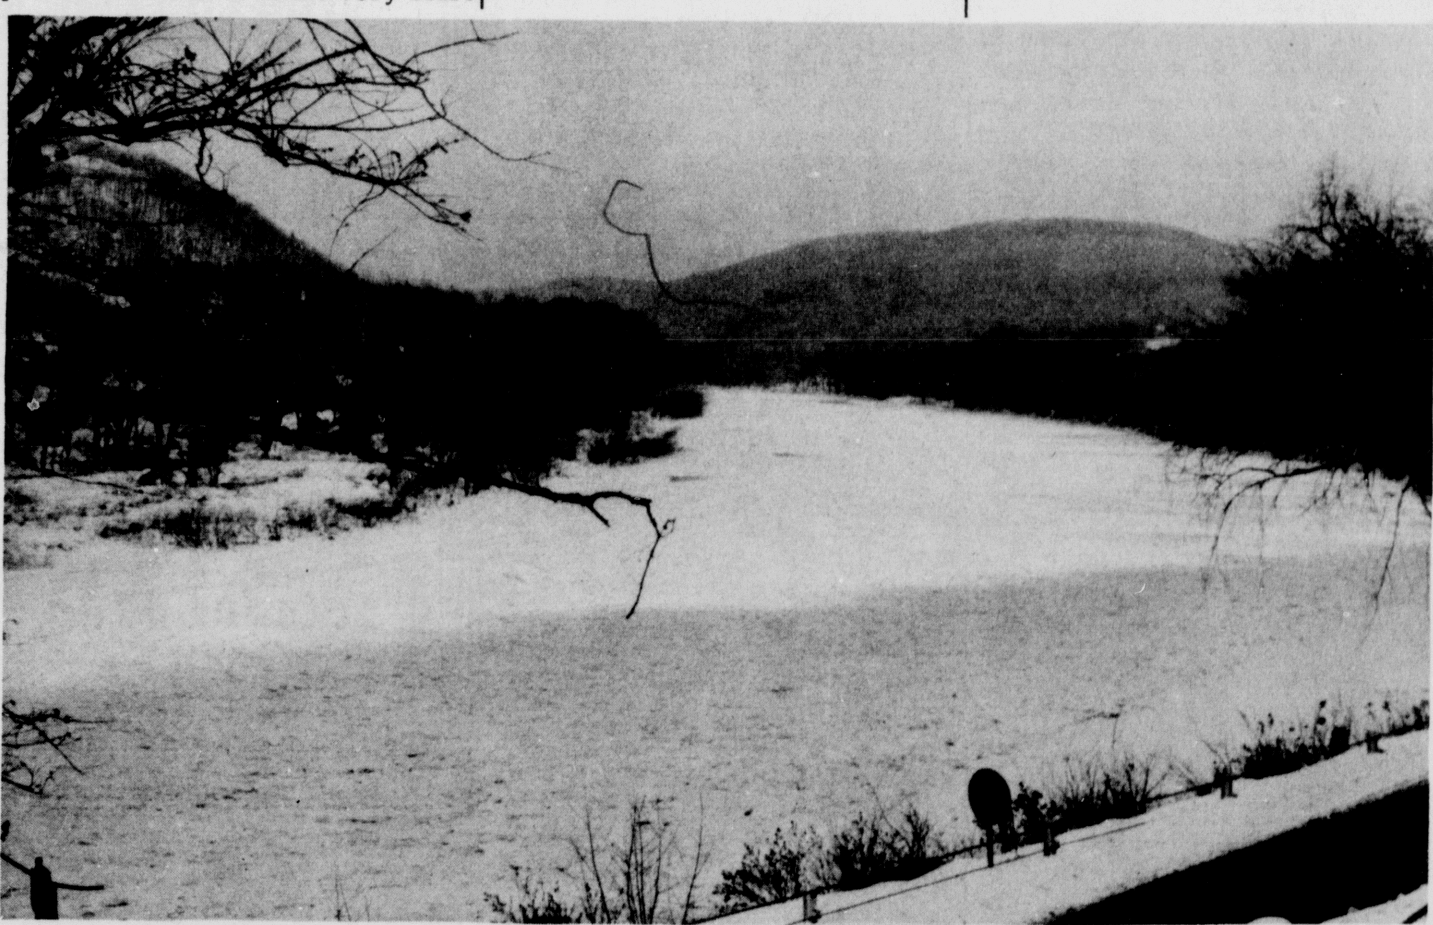

Guest speaker at the annual Chamber of Commerce dinner on February 5 will be Dr. Kenneth McFarland, nationally known educator and speaker. In addition to his other interests, the Topeka, Kan., man serves as educational consultant and lecturer for General Motors Corp., and educational consultant for American Trucking Associations, Inc.

BIGGEST MISSILE. This is the peek Russian officials got at American armed might. It is the unloaded shell of the largest missile now being fired, and was a major inaugural parade attraction.

ICE GORGE. This is the start of an ice gorge. Ice is beginning to crack and edge up onto the back of pieces ahead. This is the very start and would have resulted into a dandy with intermittent thawing and freezing. But the warm weather of this week busted it wide open. This is just above the railroad bridge near Crescent Park, in Warren.

EXCHANGE STUDENTS AT WHS. Four foreign exchange students from abroad and another from Lawrence Park near Erie provided Warren high students with an interesting assembly Friday morning.

Participating in the program were (l. to r.) Henry Lanman, student council member; Andy Philippokia, from Southern Greece; Susan Avery, Lawrence Park student who showed personality plus in a talk about her visit to Rome, Italy; Jutta Taubert, of West Berlin, Germany; Colett Rossard, of France; Hubert Winell, of Southern Sweden; and Fran Wooster, president of the Warren student council.

Chandlers Valley

Mrs. Glenn Ruhlman 13-R-32

The Around the Corner Birthday Club of Chandlers Valley and Sugar Grove met at the home of Mrs. Floyd Swanson to honor the birthday of Mrs. Frank Crawl. After a delicious lunch Mrs. Crawl was remembered with a variety of gifts for the occasion and Secret Pals exchanged gifts. The next party will be held at the home of Mrs. Glenn Ruhlman on February 13 to honor the birthday of Mrs. John Young.

Wayne Kipple was accepted into the Chandlers Valley Grange and on Saturday evening took the third and fourth degrees.

Mr. and Mrs. Glenn Ruhlman and Robert were visitors at Sherman, N.Y., on Saturday and later in the evening were dinner guests at the home of Mr. and Mrs. Otto Bliss, Irvine, Pa.

Mrs. Esther Donaldson is much improved and up and around again. However, her sister-in-law, Mrs. Rose Keagle is still with her, giving a helping hand.

Russell

Mrs. Claude Perrigo PL 7-4505
Mrs. Arnold Jewell PL 7-9917

Mr. and Mrs. Clifford Gordon attended the Farm Show in Harrisburg and then went on to visit their son, Gary and wife, in Lexington, Kentucky.

Recent visitors at the home of Mr. and Mrs. Claude Perrigo were Mr. and Mrs. Howard Onink and son Jeffrey of Sugar Grove, and Miss Joyce Perrigo of Jamestown.

Mr. and Mrs. Oscar Benson, Mr. and Mrs. Lewis Benson and family were entertained with a birthday dinner at the home of Mr. and Mrs. Phillip Calvin in Warren in honor of Mr. Oscar Benson's birthday.

The ambulance made three calls during the past week when Mrs. Eunice Patchen of Russell and Mrs. Hilda Peterson, Russell, R.D. #1, were taken to the Warren General Hospital and Abbey Lammar was transferred from the Warren General to the Keystone Nursing Home.

Cable Hollow

Mrs. Floyd Sumner PL 7-4647

Miss Virginia Moore of New York City spent the week end with her mother, Mrs. Donald Green. Miss Moore is employed with Pan American Air Lines in Communications.

Mr. and Mrs. Russell Fellows have purchased the Lorentz Williams place and moved in the week end of January 12.

Miss Gertrude Wilson of Grove City, Penna., is visiting at the home of Mr. and Mrs. Donald Green.

The many friends of Mr. Will Finzer, who has recently been confined to bed, will be happy to know he is improving.

Rev. Bertil Peterson will be the evangelist for the special services planned by the Cable Hollow Church for March 6 to 17. A more complete list of details will be announced later.

TOO BAD . . . This clean expanse of fresh ice never got used. It was the results of a night's work by the Warren park department's hoseman, Tony Tomassoni. But this Saturday morning was the start of a thaw and blades were kept off. In a few days it was gone.

COUNTY ASSESSMENT PLANS SHORT-SIGHTED

The Warren county commissioners may this week decide to employ an outside firm to assess Warren county properties for taxing purposes. The cost will be close to \$110,000.

All existing properties will be assessed, supposedly in an impartial manner. This is the sweet talk which suggests that all of us there-with will be happily assessed and have no complaints. Has anyone around these parts been to the moon lately?

Assuming that this milk and honey situation actually exists immediately after our benefactors take our \$110,000 out of the county with them, what happens when someone builds a new house? What happens a couple years from now when values change and complaints are filed? What happens when someone builds a new industrial plant, or an addition to an existing one? What happens when new commissioners take over?

Do these figures computed in 1957 or 1958 stay with us forever?

We suggest that the most important part of this assessing business is a measuring stick. We must have a rule of thumb by which we arrive at the value of any property. And it must be simple enough so that a man of normal intelligence can apply it to real estate and come up with the right answer.

The average homeowner or industrialist also should be able to apply it and come up with the same answer as the assessor. If he doesn't, he has grounds for an appeal and they have a set of rules by which to go when they debate that appeal.

We can obtain that manual with which we are to figure the value of Warren county properties for a fifth of the figure we must pay to have the entire job done. The same firm which writes the manual will train a chief assessor and an assistant if we need one. Thus we will have men in Warren county who will know how to do the job, and will still be here to do it when future work along this line is required.

It seems to us that we must train these men anyway, if our \$110,000 isn't to be thrown away. If we don't, we will need to spend another \$110,000 a few years from now when normal economic changes

make the 1957 estimates questionable. And if we must train them to make our expenditure sound, why not let them do the job now?

There are some who are intimating that our assessors are not sufficiently intelligent to gather the wanted figures and to turn them into the chief assessor's office. If this is true there is something very wrong with our democratic system, and the quality of our Republican party candidates, of which we have a vast majority, must be sadly moronic.

We see no reason why a Warren county assessor cannot obtain the details concerning a given building, write those details on a printed form, and submit that form to the proper court house official. If the chief assessor must be trained to carry on after the \$110,000 firm puts our money in its out-of-town bank account, why can't he do the job right now?

The taxpayers of Warren county are putting up the \$110,000. We see no reason why they should not have the right to keep it in the county. We believe a share of them should have the opportunity to earn the \$110,000. We believe little communities like Tidioute, Sheffield, Youngsville, and others will wel-

come the salary which will be paid someone in their area to do the job.

We are not so sure that other towns which have brought in firms to do the entire job are happy about it. As we remember it was the dissatisfaction of some towns which caused former Warren county commissioners to hesitate about taking such a step.

It also seems that we have read newspaper stories in the papers of other towns concerning the problems resulting after the assessing firms had left. In a year or two they were squabbling over assessments and had no one to settle the squabble.

IN REVIEW

1. We need a set of rules by which to fairly assess all property. This will help officials do the job and will give the taxpayer a basis on which to appeal.

2. The system should be estab-

lished so that it always will be with us.

3. We should have several trained people in Warren county who can carry out the job.

4. The \$110,000 bill will not be very expensive if \$90,000 of it stays in Warren county.

5. Either our current method of electing assessors is providing people of sufficient ability to do this simple work or we need a new system. If they can't do this job, why do they exist at all if we are going to pay \$110,000 to outsiders to do the work. For what will we be paying assessors?

P.S. Why are the same commissioners who wanted to put the county library to a public vote before daring to spend a third of a mill on a program which was requested by many organizations, now so willing to spend over three mills without the same concern with what the public thinks?

A GOOD TIME was had by these members of the YMCA Adventure club at a recent sleepout at the association building.

with a homburg." (He was bare-headed.)

To turn again to Mr. O'Casey: "The coffin was placed on a low car covered with flowing black draperies, and pulled by a well-groomed gentle black horse, enveloped in a black gown heavily embroidered with silver, so that only the eyes, the ears and the feet of the animal were visible. A tall black plume rising from his forehead made him look like the nag that the Black Prince rode at the battle of Crecy. Overhead, in a grey sky, spotted with timid-looking blue patches, dark heavy clouds were being tossed and pushed along by a northerly wind blowing steadily and reasonably, except that now and again it gathered strength and swept by fiercely, filling the cemetery with a mad rustle and a cold swish-swish from the bending branches of the trees."

As pictures go, I wouldn't trade that one for any number of live TV shots -- and we got plenty of them -- of Robert Montgomery and Mr. James Hagerty.

A Well Chosen Word Is Worth
Ten Thousand Pictures

One picture, the old saying goes, is worth ten thousand words. But ten thousand pictures, I kept thinking while watching the Presidential inaugural parade as broadcast over three networks through the eyes of sixty-one cameras, to the chattering of twenty odd commentators, is not worth one well written paragraph.

On the screen at the time, an arrowhead of motorcycles pushed slowly up drenched Pennsylvania Avenue. "The outriders are in view," declaimed a CBS commentator. "The Presidential car MAKES THE TURN!" And there, by George, it was -- a car. "The Presidential car followed by those of the others makes its way past the crowd that is assembled," continued the voice in what may easily be the most obvious and unnecessary comment I've heard in years. "Everyone has turned to watch it."

So it went. Shots of cars, shots of motorcycles, shots of the crowd, shots of cops, while the commentators told you -- in case your mind was wandering -- that those were cars and motorcycles and people and cops you were watching.

Just for the devil of it (and because I have never really believed that business about the one picture being worth 10,000 words) I turned to a bit of the description of another cavalcade, that of the funeral procession of his father by Sean O'Casey from his autobiography:

"Hearse, mourning-coach, cabs and cars threaded their way through the tenement-hedged streets where swarms of boys and girls played and fought in front of the gloomy

houses that had once, his mother told him, sheltered all the great lords and ladies of the land. Round into Cavendish Row where the houses were high and still mighty, with stately doors and flashing windows. Outside of them maids, with black or blue dresses and white aprons and caps with floating streamers, were polishing brass plates, letter box flaps and heavy knockers of bronze or brass."

As pictures go, I think I prefer the words to the electronics as infinitely more revealing. The trouble in Washington was there was just too much electronics, too many cameras, too many commentators at too many vantage points. More darned facilities to take a picture of some automobiles from above, from the side, from the front (where it was very fuzzy and wobbly indeed). There were, of course, a few shots -- a very few -- of the President and Mrs. Eisenhower, smiling and waving.

One smile and one wave would have been more impressive. In fact, it occurred to me that the trouble with the whole show was a total lack of editing. Just as a writer searches for the right word and then uses that one and that one alone, the TV people ought to seek the one shot -- and then use it once, not forty-five times.

And the commentary or narration or whatever it was: "That's Mrs. Doud you see now, Mrs. Eisenhower's mother. She's being taken to her seat. That's little David on the left, Susan on the right -- and Mr. James Hagerty . . . Mrs. Nixon is wearing a red-feathered hat and a caracul coat . . . The tension is building here as the moment arrives when the President will take his oath of office. There's Vice-President Nixon wearing a dark blue coat

YWCA SCHEDULE

January 24 - 6:30, Zonta club dinner-meeting; 7:00, high school basketball game; 7:45, Warren county schools' employees Credit Union meeting; 8:00, Garden Club.
January 25 - 1:15, Two to Four Club.

January 28 - 12:00, Lions board of directors tray luncheon; 12:10, Rotary; 2:00, Golden Age Society; 6:00, YWCA board of directors dinner; 7:00, high school basketball game.

January 29 - 12:10, Lions; 6:00, Girl Scout dinner; 8:00, Bridge Class.

January 30 - 12:15, Kiwanis; 2:00, Eighth grade Y-Teens; 3:00, Ninth grade Y-Teen basketball practice.

January 31 - 12:15, Sylvania luncheon; 7:00, high school basketball game.

RECOGNITION DAY . . . Saturday, February 9, at 2:00 p.m. in the Court Rooms will be part of the observance of Boy Scout Anniversary Week (Feb. 6 to 12). Judge Alexander C. Flick will be host to unit leaders of the council in special ceremonies honoring the contribution of cubmasters, den mothers, scoutmasters, and explorer advisors to the life of the community. Certificates from the Freedom Foundation will be presented at this time.

THE BOY SCOUT Recognition Dinner . . . will be held Monday, January 28, in Beaty cafeteria at 6:30 p.m. Col. Curtis L. Williams, deputy judge advocate of the Second Army, will be the guest speaker.

A special feature of the dinner will be an informal reception for the new Field Scout Executive, Richard Bauer, and his wife, which will be held immediately following the program. On display at the dinner will be sketches of the new winter camping lodge planned for Camp Olmsted, and of the Jamboree gateway.

GIRL SCOUT ANNUAL DINNER . . . will be held Tuesday, January 29, at the YWCA, at 6:15 p.m. Slides will be shown on the trip to Puerto Rico taken by Troop 22, and a talk by Charles Tranter, executive secretary of the Chamber of Commerce, will highlight the evening's entertainment.

Mrs. Margaret Lewis, past council president, will be toastmistress for the affair.

CHAMBER OF COMMERCE . . . annual banquet will be held Tuesday, February 5, in Beaty cafeteria, at 6:30 p.m. Robert E. Anstadt, chairman, reports that the ticket committee is preparing to mail out tickets and invitations to the membership on Monday of next week. The Warren Boy Choir will make a return appearance at the banquet, having sung there last year and received with enthusiasm.

The main event of the evening will be an address by Dr. Kenneth McFarland, of Topeka, Kan., nationally known educator and speaker.

Robert Marlin is ticket chairman and expects this year's turnout to exceed last year's attendance.

MOTHERS ON THE MARCH . . . will be conducted Thursday, January 31, and a number of Girl Scouts have volunteered their services for baby sitting that evening. Mothers of the various Mothers' organizations are to contact their captains of the Mothers on the March who will in turn contact leaders of the troops, depending on the location of the home needing the baby sitter. Mothers can also contact Mrs. Robert Jensen or Mrs. Walter Mathyer for further information.

CHERRY PIE . . . Baking Week in Northwestern Pennsylvania will be proclaimed the week of January 28, and the Warren County Contest will be held on Wednesday, January 30, at the Penelec Building, Warren, under the direction of Mr. Roy Thomson of the Penna. Cherry Growers Assn. He will be assisted by Mrs. Evelyn Overturf, Penelec home economist, and Miss Elverda Fagley, Warren County homemaking advisor. Lunch will be served to contestants, teachers and judges.

Each county winner will compete at the state contest on February 9, in York. The state winner will represent Pennsylvania at the National finals on February 21 in Chicago, where all forty-eight states, Alaska, Hawaii and Canada will be represented.

YMCA NOTES

The Family Night Mid-Winter picnic, scheduled to be held in the Canteen, has been changed to the YMCA club rooms, Saturday, January 26, at 6:00 p.m., with games and swim to follow. There will be free admission to the Gra-Y basketball games. The Gra-Y game Saturday evening will begin at 7:15 p.m. instead of 6:30 as originally stated. Families are to bring their own table service, rolls or sandwiches, a tablecloth, and a tureen. The "Y" will furnish beverage and dessert.

Friday, February 1, will be Officers Training conference sleepout for all officers of the Gra-Y council, at 7:00 p.m.

National YMCA Week will be observed the week of January 28th.

A FUND RAISING . . . Loyalty Dinner will be held by the First Lutheran Church congregation at 6:30 Thursday evening, January 31, in Beaty cafeteria.

An interesting program has been planned to acquaint the members with the needs and plans for an Educational building, with the Rev. James F. Dauphinee of St. Peter's Lutheran Church in Preston, Ontario, as the principal speaker.

FOLK FESTIVAL . . . The local Girl Scout council has announced the appointment of Mrs. Penny Beach as general chairman for the organization's Council-Wide Folk Festival to be held this spring.

PUBLIC EVENTS

THE VFW MARINE Corp league . . . and 28th Division will sponsor a "wheel chair" (paraplegic) show Thursday, February 21, at Beaty auditorium, starting at 7:00 p.m. The public is invited.

WOMAN'S CLUB DANCE . . . sponsored by the entertainment committee of the Woman's Club, will be held Saturday, January 26, from 9 to 12 in the club auditorium. George Johnson's orchestra will play for dancing.

The public is invited, with a special invitation extended to newcomers. This is the first open dance to be held by the club and the response Saturday night will be the deciding factor on any similar events in the future.

WARREN-TITUSVILLE . . . Junior high school Exchange Band Concert will be held in Beaty auditorium, Thursday, January 31, at 7:30 p.m., admission 50¢. This is the first attempt at combining junior high school bands. The program will include spirited marches, musical comedy tunes, serious music and some swing rhythms for the younger listeners. Mr. Harold Milson will direct the Titusville group, and Mr. Harry Summers the Warren group. There will be a total of 90 members participating.

The two bands will rehearse together from 9:30 a.m. to 12:45 p.m., with lunch in the Beaty cafeteria at 1:00 p.m. There will be a short assembly concert for Beaty

students at 2:00 p.m.; free time from 3:15 to 5:30; dinner in the high school cafeteria at 5:30, and concert at 7:30 p.m. This concert will give interested people an opportunity to hear future members of the Dragon Band.

The Beaty Junior high school band will go to Titusville for a return program on February 6.

THE A CAPPELLA CHOIR . . . will present its annual Mid-Winter Concert on February 7, at 8:15 p.m. It will be a program chosen to fit varied musical tastes and will last about an hour and a quarter. Featured on the program will be extensive excerpts from the opera "Carmen". Tickets are 50 cents and may be purchased from any member of the choir or at the door.

TEEN TOPICS

THE F.B.L.A. . . . of the Warren high school is sponsoring a roller skating party which is to be held on Monday, January 28, at the Russell Roller Rink. Skating will be from 7:30 to 10:30. Tickets will be 50 cents and may be purchased from Rose Saporito, Judi Englehart, Bonnie Tremblay, Mary Hughes, Judy Huchins, Vesta Hape, Art Elder, Larry Weilacher, Arti McCool, Diane Seymour, and Kay Taft. If enough tickets are sold a bus will be chartered for an additional 50 cents. Everyone is invited.

A MID-WINTER HAYRIDE . . . sponsored by the Youth For Christ of the Bethel E.U.B. church, will be held Saturday, January 26, at 7:30 p.m. The bus will leave from the church, taking young people from all area churches to Scandia where they will enjoy the winter excursion. Following the hayride, the group will return to the church for games and refreshments. An offering will be received to defray costs of transportation.

All county teen-agers are invited to share this evening of recreation.

CONTRAST, Last week end a shot up the river from the Hickory st. bridge looked like this. Cold, low, and frozen. By mid-week things had changed. Gone was the cold and the ice, and up was the river. Snow in the hills and hard rain had Warren suffering flood jitters.

QUITE A CHANGE. In comparison to the picture above, this shot of the island opposite the South Side bridge taken at 10 a. m. Wednesday

showed a water mark of 12.9. By three o'clock the figure jumped to its crest of 13.2.

TO EXPAND SUNDAY SCHOOL. A fund raising campaign that will support a building program to allow more adequate and modern facilities for young people has been started by the First Lutheran Church of Warren. Upon realizing the Sunday School was too crowded, the church officials took action and secured the Lutheran Laymen's Movement Fund Raising Service to direct the financial campaign.

At a joint meeting of the First Lutheran Church council and the

general fund raising committee for the new educational building a Venture Goal of \$150,000 was accepted.

Guiding the project are (l. to r.) seated--Everett P. Siefert, proposal chairman; Mrs. C. Albert Satterlund, hostess chairman; the Rev. Frederick B. Haer, church pastor; Mrs. William E. Leuthold, dinner chairman; Mrs. Charles W. Cable, publicity chairman; Gerald A. Huber, audit chairman; standing--William E. Yeager, Sr., advance

visit chairman; the Rev. V. Theodore Benson, assistant pastor; and Sheridan E. Brown, general chairman. Not present for the picture was James H. Frantz, organization chairman.

The program is progressing with the organizing of man power, whereby over 200 will participate in the church's Venture in Faith. The congregation will be called on during the weeks of February 10th through February 21st.

Warren Has Flood Jitters At 13.2

Rain and snow combined to keep many lowlanders awake in Warren Tuesday night when the river bounced up five feet in about three hours. The unusual rise probably was due to the constant breaking of ice gorges, which caused a fluctuated level that varied from 7 to 12, then back to 11.4, up to 11.7, and back to 11.5 in the early morning hours when it began to consistently start a steady climb.

It finally reached 13.2 late in the morning, but snow and cold checked it there and the flood scare was over. The airport was flooded and a few riverside homes and camps were soaked, but most Warren homes had no trouble.

It was a routine water rise that happens every winter as rain and snow team up during the thaws. Usually cold weather arrives in time to check the river before it becomes troublesome. Occasionally it stays warm and the rain keeps coming. Then we have a March 8, 1956, experience. Then again we were very fortunate, thanks to cold and snow which stopped the waters at a point that was just short of the level which would send powerful flood waters directly across many areas.

Meanwhile, the Kinzua dam project drones on, with hundreds of thousands being spent on preliminaries that apparently get us nowhere. A million now has been appropriated to follow the half million already spent. And this is only for preparations.

Next week we will discuss another source of trouble for those who would like to have flood protection. The Clean Streams Association is expected to go on record at its March meeting as opposed to the dam. This is the pay-off. The original intention of the dam was to provide a clean stream!

In Brief

NEW PRESIDENT of CBS-Hytron is Arthur L. Chapman, who for many years was a Sylvania official in numerous progressive capacities while living in Warren. He was with Sylvania for twenty-four years, and was vice president of manufacturing when he resigned this week to take the CBS post. CBS-Hytron is a CBS tube manufacturing division. The Chapman family moved this month to Allendale, N. J.

RE-ELECTED to the YWCA board of directors at the annual meeting Monday night were Mrs. K. W. Davis, Mrs. James Nordine, Mrs. J. R. Reddecliff, Miss Eleanor Smith and Miss Margaret Snarburg. Chosen to serve for a three-year term were Mrs. Henry Christianson and Mrs. Victor Spattifor. Mrs. Plue Wendelboe was named to fill the unexpired term left with the recent resignation of Mrs. Fred Emhardt.

NEW OFFICE. The Warren County Heart association's new office is now located in Room 703, of the Warren Bank and Trust Co. building in Warren, with a telephone listing of 314.

Mrs. Phyllis L. Duncan has been appointed the new executive secretary for the association and will be happy to handle any requests for literature, pamphlets and other information.

Also located in the new office is the Warren County Tuberculosis Society, with Mrs. Elizabeth Smith as secretary.

PLEAD GUILTY. Ernest A. Smith, who was returned to Warren by local authorities last Thursday to face a false pretense charge, entered a plea of guilty when arraigned before a justice and was placed in Warren County jail upon failure to post \$1500 bond.

The accused was picked up in Lubbock, Texas, after an alarm was sent out for his arrest. He had purchased a car from a local dealer with a bad check the early part of January.

Sheriff Larry E. Linder and Police Chief Mike Evan made the trip to Texas by plane and returned with Smith and the car.

HIT BY CAR. Two young Warren girls were treated for abrasions at Warren General Hospital Wednesday, after being struck by a car operated by William E. Nuth, Jr., of Butler. Victims of the mishap were Sheryl Reynolds, 9, and Betsy Reynolds, 5, both of 1021-1/2 Penna. ave., W.

The incident occurred near the West Side railroad tracks when the youngsters ran out between slow moving cars on the opposite side of the street into the path of the west moving vehicle.

DIRECTORS of the Warren Boy Choir have announced plans for an annual summer camp to start this year. The choir has sub-leased Camp Cornplanter for a three week period from August 4 to 24.

This new program will accommodate 96 boys, including the members of the regular Boy Choir. Non-resident boys between the ages of 9 and 15 will be invited to take part in the training period.

Activity will center around daily music training under Byron L. Swanson, Boy Choir director, but all of the usual summer camping thrills will also be provided.

EDGAR B. PENDLETON

Warren County Cancer Society campaign chairman James Wright has announced the appointment of Edgar B. Pendleton as drive chairman for Warren Borough.

Mr. Pendleton came to Warren in 1955 after retiring from The Texas Co., for which he worked 32 years, and has the unique distinction of being the third white baby born in the Territory of Alaska after its purchase from Russia. His father, Maj. Gen. J. H. Pendleton of the U. S. Marine Corps, was commanding officer of the outpost in Sitka, Alaska at the time of his birth.

The local chairman also served with the Marines during World War I in the rank of captain.

ADDS GUITAR

Spanish guitar lessons have been added to the Warren Conservatory of Music curriculum, with Rex Nollinger, of Jamestown, as instructor. Rex, 17, will teach the course under the supervision of his father, Lloyd Nollinger, who has a Jamestown studio. Rex has a music background consisting of piano, voice, mandolin, and guitar experience, and should be popular with the young people.

RECOGNITION. Miss Mary Topper, past president of the Warren Zonta Club, was honored last fall with an appointment to the Zonta International classification committee and will leave Friday for Buffalo to attend the group's first meeting. She is the first member of the Warren organization to ever receive an international assignment.

SYLVANIA CHANGES. The Sylvania Electric Products office in Warren has announced the appointment of Merle W. Kremer as general manager of the parts division and Richard E. Corcoran to the newly created position of product sales manager of wire and weld products of the parts division of the company.

Both men will keep their headquarters in Warren.

JAYCEE BOSSES' NIGHT. A crowd of over 125 Jaycees and their bosses is expected to attend the annual Jaycee Bosses' Night at the Marconi Outing Club this evening, when the presentation of the Distinguished Service Award will be made to an area young man and an address will be heard by Dr. Elmer Hess, past president of the American Medical association.

The DSA will be presented by K. Earl Abel, Jr., executive vice president of the Pennsylvania Junior Chamber and local past president. This will be the first time the award has been made in recognition of outstanding service to the community.

Dr. Hess, in his address, will discuss his recent trip to the Middle East as a special representative of President Eisenhower.

\$98,700 Bid Is Accepted For County Assessing

A Cleveland firm has been awarded the contract for assessing Warren county property. J. M. Clemenshaw's price of \$98,700 was low among the four submitted.

Other bids read, Cole, Layer and Tremble, \$102,000; Associated Surveys, \$103,000; J. L. Jacobs Co., \$147,000.

Two of the firms also offered bids for limiting their work to providing an assessment plan for Warren, which include a manual to be used by the local assessor. Associated Surveys bid \$12,000 and J. L. Jacobs bid \$19,700.

County Commissioners Johnson and Mead favored having the entire job done by an outside firm. Commissioner Crippen preferred the limited plan with a chief assessor arriving at the figures from data provided by field men. If this plan had been followed, \$86,700 would have been left in Warren county.

MRS. ERNIE ANDERSON, 74, 11 Madison ave., Warren, died at her home Monday, January 21. Removal will be made from the Templeton Funeral Home on Friday to the Free Methodist Church, where she will lie in state until services there at 2 p. m. Interment will follow in Pine Grove cemetery at Russell.

INCOME TAX FACTS No. 1**How to Save Tax Dollars**

(This is one of a series of articles on federal income tax filing. These articles are based on information provided by the American Institute of Accountants, and the Society of Certified Public Accountants in cooperation with the Internal Revenue Service.)

Between now and April 15 over sixty million Americans must file a tax return to report their 1956 income to the federal government. On the basis of past experience about 1 out of every 4 returns filed will contain an error of \$2.00 or more. Last year these errors totaled over \$100,000,000.

To help you prepare a correct return and avoid mistakes that cost you tax dollars, this newspaper is printing a series of eight articles prepared with the help of the national and state organizations of certified public accountants.

Today's article deals with problems faced by almost anyone who has to make out a return. Later articles will give special hints on deductions you may take, particularly if you own a car, home or business. Use this series along with the official instruction book which comes free with your tax forms.

Common Mistakes

According to the results of a sampling by the Internal Revenue Service, the mistakes most often made by taxpayers fall into these four groups:

(1) Incorrect listing of income.

This is the main source of error, partly because of debatable questions involving business income. Individuals make mistakes too by leaving out such items as interest on savings accounts, dividends and contest winnings, or by including items which are exempt.

(2) Errors in personal deductions. This category includes the deductions taken when the 10 per cent "standard deduction" is not used. Important deductions from income are: state and local taxes, interest paid on loans, charitable contributions, medical expenses, losses from storm, fire, flood or theft.

(3) Claiming too many or too few dependents. Exemptions are allowed for the taxpayer himself and for certain persons he supports, if they fit the definitions in the instruction book.

(4) Faulty arithmetic. This is the cause of the fewest number of errors, but approximately 30 per cent of these arithmetical mistakes are made by the taxpayer against himself, resulting in approximately \$19,000,000 in overpayment of taxes.

The first thing to determine is whether you should file a return or not. Everyone whose gross income was \$600 or more in 1956 must file

a return by April 15, 1957. Even if your income was less than \$600 you should file a return if any tax was withheld by your employer and you wish to receive a refund. In any case, if you had as much as \$400 earnings from self-employment you must file a return to report those earnings for social security purposes.

Non-Taxable Income

It is important to remember that all income is not taxable. You should not include in your return any income which is listed in the official instruction book as exempt. This includes interest on state and municipal bonds, most government payments to veterans and their families, life insurance proceeds upon death, gifts and social security benefits. The tax instructions from the Internal Revenue Service contain a list of the types of income which should be included and those which should be omitted from your return.

If You Changed Jobs

Here is a special point to watch if you worked for more than one employer during 1956. You may have overpaid your social security tax. Each employer is required to withhold social security amounting to 2 percent of the first \$4200 of your wages. If you worked for only one employer, this would amount to \$84. However, if you worked for several employers, more than \$84 might have been withheld. Check your W-2 withholding slips and see whether the total F.I.C.A. (Federal Insurance Contributions Act) is more than \$84. If it is, you can claim credit for the excess in the "taxes withheld" column of your income tax form.

The instruction book which comes with your tax forms gives further information. Help is also available by telephone or at offices of the Internal Revenue Service. The Revenue Service urges you to consult properly qualified advisor if you decide to seek outside help.

THE TEN COMMANDMENTS

Proof that many of our leading critics, clergymen, and movie producers are guilty of Bible illiteracy is claimed by The Watchtower, published by the Watch Tower Bible and Tract Society of Pennsylvania. In articles seen in the November 8 and January 15 issues the movie's many inaccuracies are discussed. Inasmuch as many leading clergymen have praised the movie, and some leading critics have told of its accurate portrayal of the Biblical story, the controversy is bound to grow. Producer DeMille made the mistake of saying that the movie is accurate except in one place. Or at least he is quoted as so saying. This really puts his neck in position for commentators to hack away.

However, the movie's drawing power is increased by this discussion. Many who might have decided they would be bored by such a lengthy affair now will attend for the purpose of checking their own Biblical knowledge or the picture's accuracy.

Actually the public learned long ago not to swallow Hollywood ballyhoo. It is probably the most exaggerated advertising we have, and that, you might say, shapes it up as exaggerated exaggeration.

REGRETTABLE

We often have expressed our dissatisfaction with many movies and books which have been based on the Bible. Obviously the public is hungry for such stories, as indicated by attendance at the theatres and the circulation of such books.

We claim that American writers

and the theatre have missed an opportunity to perform a major service. The true story of the Bible is sufficiently dramatic to sell itself, as indicated by the sale of the book itself. Lending it the color of the cameras would help bring home the story it has to tell.

Even at the best we know there would be differences. If there were no differences we would not have different religions. However, the true story as seen by any one religion or religious leader would be educational and inspiring.

Hollywood and the publishing world has distorted the truth so consistently that they find it difficult to think any other way.

CHRISTIAN RECREATION

This touching on things religious in a Play Time column reminds us of Eugene Allen Erickson, son of Mr. and Mrs. Francis R. Erickson, of 109 McPherson st., Warren. He has been accepted for travel with the Christian Youth Study Caravan, which will visit Italy and Germany during the summer of 1958.

This Caravan will study the evangelical movement among various European Christian communions. The travel and study opportunity is sponsored by the Hartwick College in Oneonta, New York.

The Caravan was started after the last war when its founder, the Rev. Wilfor Lyon, now pastor of the Norris Methodist church, was detained in Denmark and became convinced that people could live together if prejudices were knocked down by coming to know each other.

DISTORTION EXAMPLE

Did you watch The Big Story on television last Friday night? It was supposed to be the story of the Tidoute bank robbery. The worst advertisement for such programs is when they deal with an event which occurred in your neighborhood. It causes you to lose faith in its reports on other cases.

The state police and FBI officers who worked on the bank robbery must be boiling. To watch the tv version, only one officer investigated the crime and he called in a Sharon reporter every time he interrogated a witness or a prisoner. They cast him as a complete sap!

There were many more officers, reporters, witnesses, and evidence in the real case, as heard in our Warren county court room. It was not an open and shut case either for

the state or for the defense. It was confusing enough to create an atmosphere of reasonable doubt, and the defendant was not convicted.

We had a bit of personal experience along this line several years ago. We wrote a murder trail story for a detective magazine. We were very close to the facts and refused to deviate.

The magazine was unhappy about it, urging us to sensationalize the

events. This we refused to do, and we managed to make it lively enough, using only the facts, to finally make them happy.

Later we saw our story re-written for several other periodicals. The results were a little sickening, and convinced us that most of the stuff you read involving supposedly true crime cases, is distorted sensationalism.

ALMOST. Fred Baldensperger almost made that 300 circle Monday evening on the Penn lanes when he put together ten strikes in a row. The eleventh left him a pin on the Brooklyn side, and he finished with 289. Fred has been one of Warren's leading bowlers for many seasons and it looked like he might have it when he got the first big one in the tenth, and hit a solid Brooklyn on the second. But the maples too often are uncooperative. It is high game for the current season.

Farm Calendar

(Timely Reminders from The Pennsylvania State University College of Agriculture.)

PRICE IS HIGH - Molasses prices have skyrocketed in most sections. Richard Adams, Penn State extension dairy specialist, suggests use of molasses wisely in dairy cattle rations. Some dairymen find it necessary to add molasses on low-quality roughage to improve its palatability and to increase the nutrient intake of the cows.

PIGS EAT HAY - Alfalfa or some other good legume hay fed to pigs in winter takes the place, to some extent, of the green grass of summer. Dwight Younkin, Penn State extension swine specialist, explains that these legumes are necessary to supply important vitamins not found in great enough amounts in many swine rations.

FEED DRY BEEF COW - The dry beef cow in average flesh needs about 2 per cent of her live weight in dry forage of average quality per day, reports Thomas King, Penn State extension livestock specialist. Five or six pounds of good, leafy legume hay will provide the daily need for protein.

KEEP POULTRY RECORDS - Flock records are valuable in giving information to help the poultryman improve the management of his business, says F. H. Leuschner, Penn State extension poultry specialist. They help separate the loafers from the layers.

ALFALFA OUTYIELDS CLOVER - Alfalfa is capable of outyielding red clover as much as 60 per cent in the first growing year, says James Eakin, Penn State extension agronomist. The difference is especially striking in a dry year, he declares.

TEST POTATO SOIL - A soil test of your potato field will often result in a saving of fertilizer, with equally good yields, reminds Elmer Pifer, Penn State extension agronomist.

GOOD SHOW
Don't miss that tv match this Sunday between Marion Ladewig and Mrs. Carter. They make most of us husky males look a bit foolish. Both will top 600 and it is a close match.

Not so good is the new bowling introduced on WBUF. They have turned it into another contest show, with bowlers from the audience shooting at odd spares to earn a \$50 prize and maybe a jackpot. Two top rank keggers add color with a two-game match.

It lacks the showmanship of the big contests that have attracted bowlers to the previous shows and to the others that are being shown. The average bowler wants to see a toe-to-toe match by the best. He sees the worst every week.

WE'RE NOT SO HOT
The next time you see Harold Bailey, of Warren, passing his time in a local bowling alley, ask him about the South Penn Oil Co. team he bowled with back in 1917. In September of that year they went to Syracuse where they put together a team score of 3781!

Harold had 258, 288, and 238 for 784. John Buge, who now lives in Tulsa, had 279, 300, and 258 for 837. And Vic Anderson, who lives in Texas, had 246, 263, and 235, for 744. John Chili and George Chido fired 719 and 697.

The team games were 1296, 1305, and 1180. It was the day before sanctioned alleys, regulated pins, balls, and other accessories, but they still had to hit them and knock them down.

THE LEADERS
Fred Baldensperger put the little black ball through ten frames of perfect pitching in the City league. His eleventh crossed over and left a pin. He ended up with a season's high for the area, 289. His 615 also leads the week's scoring. And Anderson's Bakery posted a new City league record with a 1035 game.

Jim Akeley rolled 598 to lead the Industrial, Frank Gerardi had 595 in the Junior Industrial, Dan Doherty hit 583 and Fred Aumer 233 in the National K of C, Jack Kifer spilled 579 in the Merchants, and Dave Fink posted 573 in the Commercial.

A triplicate 154 was recorded by Roger Werner in the Exservice-men's loop Tuesday.

Other leaders: Jim English, 558 in the Arcade Junior; Joe Cedrone, 543 in the National Forge; Joe Kroger, 534 in the American K of C; Chester Christensen, 533 in the Sylvania; Jim English, 530 in the Shop; Gary Dutchess, 480 in the AJBC Junior.

ANNUAL MEETING. The annual meeting of the Agricultural and Home Economics Extension Service of Warren County was held in the YWCA Wednesday, during which time an election of officers was conducted.

Pictured here are the new leaders of the group along with other officials who participated in the day-long program. They are (l. to r.) seated -- Mrs. Lois Darling, Sugar Grove, secretary; Mrs. June Spencer, assistant county home ec agent; Mrs. Geraldine Johnston, county home ec agent; and Miss Carolyn Lyon, assistant state home economics leader of the Pennsylvania State University; standing -- Nelson Crooks, Corydon, retiring president; O. C. Tritt, county agent; Alfred Akins, Chandlers Valley, 1st vice president; Robert Rowland, Youngsville, 3rd vice president; Wallace Barlow, Sugar Grove, president; Fred Hughes, farm management specialist from Penn State; and H. K. Anders, assistant director of extension from the university.

Newly chosen officers not pictured are Mrs. Ethel Peterson, Garland, 2nd vice president, and D. H. Lay, Youngsville, treasurer.

Tuesday circuit. Vern Zellefrow and Donna Johnson posted 404 each in the Metzger Wright league.

AND THE LADIES
Vi Sterling had 519 in the City and 509 in the Major to take all honors. Also in the City, Marg Larson fired 517, Mary Lowe, 512, and Joan Shetty, 503. Polly Hedges led the Class C with 475, Patsy Hoffman had 445 in the Minor, Arlene Brewster, 444 in the Automotive, and Helen Pusateri, 434 in Peg's.

MARCH ON POLIO. The sixth anniversary Mothers' March on Polio will be the most dramatic and exciting ever undertaken in Pennsylvania. Women from Warren County heard plans for the gigantic one-hour house-to-house canvass, which will be held January 31, outlined at a reception and tea given by Mrs. George M. Leader, wife of the governor.

In attendance from Warren County and pictured here with Mrs. Leader were (l. to r.) seated - Mrs. Leader, and Miss Estelle Roswell, president of the Warren Zonta club and co-chairman of the March of Dimes; standing - Mrs. Lena Schaeffer, co-chairman of Mothers on the March, and Mrs. Herman Moll, Russell area chairman.

Besides raising much-needed funds to combat the polio menace and to care for its victims, the Marching Mothers will have an added task this year. They will work in the interest of polio prevention and in many communities distribute material encouraging parents to take advantage of the Salk vaccine.

MASTER FARMER. F. L. Dodd and Sons, who were one of six to receive the Master Farmer Award for 1956 by Pennsylvania Farmer on January 15, were recognized at the annual Warren County Agricultural and Home Economics Extension meeting held in Warren Wednesday.

Mr. Dodd (r.) is pictured here with his wife and O. C. Tritt, county agent. The three-way partnership consists of Frank L. Dodd, father, and his two sons, Leslie J. Dodd and Merle C. Dodd.

The award is based on farm operation, business methods and ability, general farm appearance and upkeep, home life and citizenship.

CONFERENCE PLAY

Section Two basketball action pulled into full swing this past week with two contests for each team and will keep up the steady diet until the first of February.

Meadville continued to head the circuit with a pair of victories over Franklin and Titusville by respective scores of 80-53 and 86-39. In the two wins, which gave the Bulldogs a 4-0 record, Roberts and Evans shared a grand total of 94 points.

At the same time Warren kept hot on the defending champ's trail by defeating Oil City 67-60 and Corry 48-43 for a 3-1 count in the loop. Other league results had Corry handing Titusville its ninth loss in 10 starts by an 84-80 count and Franklin beating Oil City by 63-58.

Behind the Dogs and Dragons in the standings are Franklin and Corry with 2-2, Oil City with 1-3, and Titusville with 0-4.

Tomorrow night it will be Warren at Titusville, Franklin at Corry, and Oil City at Meadville. Next Tuesday the Dragons invade Meadville, Franklin goes to Titusville, and Oil City is at Corry.

Friday night's activity in the Upper Allegheny Valley loop showed Youngsville and West Forest staying on top of the standints with respective 67-57 and 52-41 wins over Tidioute and defending Pleasantville. Northern Area managed a 62-57 victory over East Forest of Marienville in the other fracas. Tidioute's McManigle was the individual standout in loop play, as he registered 35 of his team's 57 points.

The Eagles and Tionesta squad now have a 3-0 season mark, Northern Area is 2-1, Pleasantville stands 1-2 and East Forest and the Bulldogs share the basement with 0-3.

Only two games were featured in the Allegheny Mountain circuit Friday, when Johnsonburg scored 45-41 against Ridgway and St. Marys downed Emporium 67-56. The loop is just under way with the Dutchmen leading 2-0.

Li'l Leaguer

AREA SCORES

The latest area cage action Friday night featured Sharon high racking up its 13th victory of the season with a 55-34 triumph over Ellwood City. Sheffield knocked off East Forest for the second time 64-53, Youngsville was on the short end of a 51-49 score against Union City, and Kane dropped Olean 68-56. It was Vincent over Harborecreek 77-45; DuBois 67, Johnsonburg 46; Lakeview 49, Sharpville 46.

In an independent contest last Saturday Warren made it two over Sheffield 65-62 on the Wolverine court. Friday the scores went Bradford 55, DuBois 43; Clearfield 56, Kane 50; Brookville 50, Punxsutawney 40; Smethport 54, Oswayo Valley 35; Otto twp. 50, Port Allegany 48; Sharon 61, New Castle 50; Farrell 64, Beaver Falls 45; Hickory 67, Claysville 34; Greenville 48, Brookfield 61; Jamestown 65, Cassadaga Valley 58; Prep 70, Tech 66; Vincent 71, East 63; and Academy 60, Harborecreek 57.

POSSIBLE NEW TEAM

Physical director Robert Hammerbeck has announced that there is a possibility of a sixth team being added to the YMCA-City cage league for the second half. The schedule will be withheld until a

final decision is made.

BEATY WINS THIRD

The Blue and Gold of Beaty Jr. high registered their third Chadakoin league victory in four starts last Friday by trimming Falconer 42-16. Pacing the defending league champs in the victory was White with eight counter, Fowler, Kremer, and Lind each had six.

This Friday Coach Bob Fey will take his squad to Bradford in an effort to revenge an earlier defeat and next Tuesday the team returns home to entertain Frewsburg in loop play.

KNIGHTS TAKE TWO

A Knights of Columbus quintet scored a pair of victories in the YMCA City floor league over the week, downing Guiffres 67 to 39 and the Unknowns in overtime 68-63. Scalise had 39 on the scoreboard over the two-night route to pace the wins.

The Unknowns balanced their loss by licking Emersons 76-59 behind the 23 point scoring of Ben Obinger and George Rasmussen's 18. In the other contest Guiffres clipped Bovas 61-49. Jim Sturdevant was high man, blazing for 31 counters to help the victors.

DRAGONS SCORE THREE

Coach Joe Massa and the Warren high floormen extended their season record to 11-2 by registering a pair of Section Two wins and a non-league victory since Friday night.

Last Friday the Dragons had to come from behind to snag a 48-43 victory from an underdog Corry five, nudged Sheffield on the Wolverines' court 66-62 in independent play on Saturday, and then toppled Oil City 67-60 on Tuesday night.

The Massamen found visiting Corry on top 38-31 at the end of three quarters and were forced into a 17-5 drive to pull it out of the fire. Ed Rickerson and Dick Danielson were the key scorers with 14 and 13 points respectively. The difference in margin came from the foul line.

Coach Ralph Santo's Wolverines, undefeated last season and playing just better than 50-50 ball this campaign, threw an early scare into the Massamen and had an early six-point edge at the half. Warren again had to fight back strong in the final two frames to win. Rickerson repeated his high pointmaking performance with 19.

With Oil City the Dragons hustled earlier and outdistanced the Hilltoppers in all but the third stanza. Danielson was high man with 16 counters and Jack Karkosky found the rim for 15.

DRAGON GRAPPLERS WIN

Warren high's grapplers scored an overwhelming 52-5 victory over St. Marys on the home mats last Thursday night and will now be battling for number five when they journey to Brockway tonight. Coach Harold Miller's boys have two losses for the season.

The Dragons racked up seven first period falls over the evening. Acting fast against their opponents were Larry Campbell, Gail Page, Steve Pearson, Bruno Zafino, Don Brian, Harry Brooker and Jay Benze. Iver Stenberg dropped his man in the second period, Bill Cummings wrestled to a 6-0 decision, Denny Platt settled for a 6-6 draw and Ron Bowen lost his match.

GRA-Y PLAY

Jefferson remained unbeaten in the Gra-Y loop by defeating Sugar Grove 36-7 on the "Y" court Saturday. The Wilson twins, Don and Doug, paced the way with 12 and 10 points respectively.

In a second Saturday tilt a McClintock five knocked off Home 23-19 as Creola and Johnson teamed up for 18 counters. Earlier in the week North Warren clipped Lacy.

The current standings are Jef-

erson 5-0, McClintock 5-1, Home 2-3, East 2-3, North Warren 2-3, Lacy 1-4, and Sugar Grove 1-4.

NEW GOLF PRO

A Pittsburgh man, Johnny Capebianco, has been named new golf pro at Bradford's Pennhills club this year. He replaces Nick Carter who has held the position for several seasons.

Capebianco, former Western Pennsylvania open champion, is regarded as being one of the best golfing teachers in the state.

CHURCH LOOP

A 24-point fourth quarter surge assisted the First Baptists in a

close 55-54 overtime victory over St. Paul's in the Church league last Thursday night. In a nightcap the First Methodist five overpowered the Presbyterians 73 to 33.

Colvin hit the rim for 22 to guide the Baptists' victory, but Dick Terry stole the honors by aiding the Lutherans with 30 counters. Wilson's 27 topped the scoring for the Methodists.

PAPERMEN, SPARE THAT STREAM
Soil not a single rivulet! So spoke the Western Pennsylvania Clean Streams Association when it held its annual meeting last Sunday. They were taking about the Hammermill plans to build a mill on the river and naturally use the waters.
This is fine said the clean stream boys if you don't dirty the waters. Apparently there is some doubt about that being in the plans, and right now the organization stands opposed.
The Clean Streams also re-elected all its officers, which includes Fred C. Barr, of Tidioute, as recording secretary.

Now there will be some who will say this is a strange way to treat new industry. However, we might as well face two facts. One is that clean streams are every bit as important to our health and to the commercial progress of our states as a plant or two. Second, every state must follow this policy if our water supply is to be preserved. In the long run it will not be a disadvantage for anyone.

FISH PROGRAM COST
With the Pennsylvania Fish Commission attempting to sell a stepped up program that will bring our fishing facilities up to date and keep them that way, perhaps you would be interested in the actual figures.

The Commission figures it can bring our hatcheries, enforcement arm, fish research and management, conservation education, dam sites and lakes, and our access areas up to date with about \$1,615,000. This would be spread over five years at \$325,000 a year.

Our annual cost of operation under the new program would be \$1,571,000 to which you must add the \$325,000 improvement costs, for a yearly total of \$1,896,000.

We sell about 700,000 fishing licenses in Pennsylvania for \$2.50. To carry out the Commission's proposed catch-up program and keep it operating at the increased pace, these would go up to \$5.15.

Other sources of income that might reduce this a mite include higher out-of-state license fees. Inasmuch as trout fishing is a costly sport to finance, trout stamps might be issued for the extra expense. Motor boat driving licenses similar to those required of car operators might be tried. This would ensure law enforcement as well as provide more money.

The Commission believes the decision is up to the fishing public. It says that action now can be taken to make or break public fishing. The situation is serious and should be considered seriously, says its news release.

We outlined the reasons for the needed revenue in columns last year. Obviously if the growing number of fishermen are to have fish to catch, lakes and clean streams in which to catch them, and access to those waters, more money will be required.

At \$5 a year you can't call it a very expensive sport. A private club membership for any kind of sport would cost you far more than that.

BUNNY MOVING SEASON
If you have any rabbit friends in the back yard that you would like not to see next spring, now is the time for having them moved. Game protectors and their agents box-trap rabbits at this time of year and move them to happy hunting grounds, from which the man of the house can bring them back dead and ready for the pan next fall.

AND SNAKES, TOO
You also may see a snake in your yard. Several have been reported in the snow this year. A hunter in Butler county wondered why his dog didn't break his point and flush the bird. Investigation revealed the bird was a rattler. A copperhead was seen in Snyder county during the deer season. In Columbia county, on December 12, a young hunter shot a 30-inch snake which proved to be a harmless variety. A hunter in Susquehanna county shot a rattler with eleven rattles during deer season.
No if someone reports seeing a snake skidding about in a mink skin, we'll put it in the lonely hearts column.

BUYERS' CORNER

TOMORROW'S KITCHEN

The housewife "who never is home" will not be so severely criticized by hubby a few years from now. His dinner will be on the table, warm, balanced, and well cooked. There will be several reasons that this will be possible.

The kitchen will be a neat affair, with everything, including the stove, disappearing when not in use. Radiation, of course, will play a major role, both in cooking and in preserving food. The dishes will be washed by sound. And there will be less noise than the present crash of one hand-wiped plate. Instead of waves of soapy water splashing over them, sound waves will be sent across their surfaces. Boom . . . they're clean!

All this will be done by push buttons. The sweetheart of the house will don a pretty little apron and do little more than set the table and move the food from utensils to dishes. Remote controls will send the dish cart to the table, and around the table when various members of the family want another helping. The cart will be warm, thus keeping the food always ready for eating.

On the table will be no more than each diner's current helping. He will press the button and bring the warm cart around when he wants service.

This same cart can be loaded with the table dishes, plus the cooking utensils, and directed into the sound mechanism. Press a button and they are clean.

But that isn't all. Why run home in mid-afternoon to get dinner? Radio control, possibly by way of your telephone, will start all mechanisms from the club or the home of your hostess. And because cooking will be atomic, it will require very little time to prepare the meal. Now if someone will find a button that will change the baby . . .

NEW LOOK

Directors for the Warren Chamber of Commerce will be elected today (Thursday). Actually they already have been elected by mail ballot. The results will be announced at the annual meeting this afternoon.

This year the size of the board has been increased to eighteen, and a scanning of the line-up suggests a big turn-over from a few years ago. Many young men are moving into the ranks, some with a forward look in their eyes. If the members choose well, a positive kind of progress may result.

EASY ON COWS

An automatic spray which kills biting flies that pester cattle has been developed by Pennsylvania State university. Such insects are so bothersome to cattle that they can reduce the weight gain of a steer from one half to one pound per day, and can decrease milk production from 20 to 40 per cent!

The new spray is easy. You place it in the doorway and the cattle are covered with insect control liquid as they walk through. A herd of 100 head can be treated within ten to fifteen minutes. And it is done in such an easy manner that panic in highly nervous cattle is avoided.

It can be installed in a shed or near a pasture for beef cattle and horses. An electric eye turns it on as the animal moves into range, and turns it off when it walks through.

BRAISE FROZEN MEATS

You can braise most frozen meats without thawing, in case you didn't know. Or so says Louise Hamilton, Penn State nutritionist. If the meat is to be floured, thaw it slightly and sprinkle or pound in the seasoned flour. If no flouring is needed, you can brown the meat without thawing.

Brown the meat in a little hot fat in a heavy pan, add seasoning and a small amount of liquid. Cover and cook over low heat until tender. The commercially frozen meats now available that are best cooked by braising are pot roasts, veal cutlets, pork chops, and tenderloin patties.

BUYING A SOFA?

If you are buying a sofa or a chair, why not treat it much like you would a pair of shoes or an article of clothing. Try it for size, and for comfort. The cushions should be firm, the seams and welting neat and even.

Turn the furniture over and check the webbing and wood construction. The corners should be braced with blocks, screws, and glue. Nailing in the framework is not a very good recommendation.

GAS GOING UP

Gas for your furnace and cooking is expected to increase in several ways. The gas companies constantly are fighting for higher rates and there is little doubt that they will enjoy some success. These same companies expect to increase their income over a billion dollars a year by 1965. Inasmuch as they now net \$630 million, this is a 63 per cent gain. Back in 1946 the net was \$201 million. The gas boys are doing well.

Those who sell gas expect to add almost one million customers each year. They added their thirty millionth customer a month ago.

To make this billion and a third profit each year by 1965, annual expenses will move up from 6.1 billion to 10.8 billion; new construction expenditures are planned totaling \$18.9 billion. Obviously, if they are going to spend that kind of money and still net well over a billion a year, someone is going to pay the freight.

KUDOS TO SILENCE

Ernie Kovac's show of last Saturday evening should bring him a laurel sprig at least. Television, like any form of entertainment that is rubbed under your nose every hour, every day, gets a little boring. Anything faintly refreshing opens your glare-glazed eyes, and even makes your ears lobes tremble. Ernie said nothing, but there was noise, effective noise. And there were laughs on our ends, enjoyable laughs. That, in our tv experience, is refreshing.

BASKETBALL LESSON

Any young man who is interested in working at basketball is offered an unusual opportunity on Saturday afternoons. Not only can he see the best in the business playing the game, but last Saturday the Syracuse team took the camera and mike into its dressing rooms between halves. The spectator was given a chance to hear them talk over their mistakes and plan the second half. A young ball player could hear a top coach telling his team what to do, and even better, watch that team carry out the orders the second half. Syracuse did just that and closed a wide gap to make a game of it.

MORE DRAGNETS

NBC has ordered 26 more "Dragnets". Consequently, Jack Webb has had to table for the time being his projected series on commercial airline pilots.

PAGING O'CONNOR

Donald O'Connor is being sought by the three leading networks for next season. O'Connor is staying away from video this season and swears he will never do another telefilm series. However, he "would be available for a limited number of spectaculars".

IT'S LUCY AND ED

American Research Bureau says "I Love Lucy" was the nation's favorite tv show in December with the Ed Sullivan Show rating second place. However, in terms of total viewers, the positions were reversed with 46 million viewers sitting in on Ed's Sunday night show.

THE AGING OF ANN

Ann Sothern will age forty years, changing from a young girl to an old woman, in the drama, "With No Regrets". This will be an ABC Ford Theater production on February 20. In it, Ann portrays a school teacher.

KATE SMITH SPECIAL

Youngstown Kitchens will present an hour-long special broadcast, "America Salutes Kate Smith", on the ABC-TV network, Sunday night, April 28.

The show, marking her 25th anniversary as an entertainer, will feature the celebrated star of radio and television as mistress of ceremonies and performer, and will present outstanding talent of show business introduced by Kate Smith in the past quarter century.

ERNIE EASING UP

Tennessee Ernie Ford plans to give up his daytime show next season. Reason? A typical Tennessee Ernie reply, "I've never seen a coffin with a pocket in it".

FOR PAT BOONE FANS

Did you know that 23-year old Pat Boone is married to his high school sweetheart and has three little daughters? That, with one more semester, he will be graduated from Columbia University as a teacher of English and speech? That he began his singing career at the age of 10 in a home-town theater in Nashville, Tenn.; later won an audition for the Ted Mack Amateur Hour, then an appearance on the Arthur Godfrey Talent Scouts show, followed by an offer from "Dot Records" to do "Two Hearts", the record that catapulted Pat through the fame barrier? Did you know that he was one of a select group of entertainers and artists invited to appear at the Inaugural Festival this week and that he has a contract to star in "Bernadine", Hollywood version of a Broadway play about teenagers?

HOLY LAND REPORT

A full hour on Israel will be shown Sunday, from 3 to 4, NBC. It will be a film program, featuring Drew Pearson and his report on the Holy Land. Leading Israel citizens will be interviewed by the American columnist.

THOROUGH COVERAGE

The tv camera coverage of the inaugural was too complete, and embarrassingly so. As far as we could see the lensmen missed only one room. The training of cameras on the President's table while he and his friends ate their "lunch" did not seem in good taste (no pun). It was a long parade, with our sympathy going to our President who stood and smiled it for many hours.

We also sympathized with the marching swordsman who lost his weapon as he was preparing to salute the chief executive. When he leaned over to pick it up he lost his plumed hat. Someone should shake his hand for busting the long hours of stiff perfection.

Also providing relief was the mongrel who took the center lane between divisions and performed well before the reviewing stand. He even paused while the photographers shot his picture.

Cabot Lodge sat chin in hand, and very bored, until Georgia came by. He brightened up like a fruit fly when the Georgia peaches blossomed into view.

The Russian delegate also lighted up when those guided missiles came sailing by. They suggested a Cyclopean Fourth of July.

WEEK-END SPORTS

BOXING, Eddie Machen vs. Joey Maxim in a 10-round heavyweight bout from Miami Beach auditorium on the Cavalcade of Sports, Friday night.

BASKETBALL, professional, has a Saturday game with the Philadelphia Warriors vs. Fort Wayne Pistons.

HORSE RACING, Saturday at 4:30 p.m. on NBC, will have the Royal Palm Handicap from Hialeah Park.

HOCKEY, via CBS at 2 o'clock Saturday afternoon, New York Rangers against Boston Bruins.

WRESTLING, from 5 to 6 p.m. Saturdays, from WGR-TV, Buffalo's channel 2.

DIAL SPINNERS

"WHIRLYBIRDS" is the new KDKA-TV series starting Friday night on the 7 p.m. spot. Produced by Lucille Ball and Desi Arnaz's Desilu Productions, the series is termed a western-without the horse. "Whirlybirds" is a drama of two daredevils who operate a helicopter service, taking on every kind of exciting assignment from sea rescue work to assisting law enforcement officials in chasing crooks.

DISNEYLAND's show next Sunday afternoon, "Our Friend the Atom", is based on the Arabian Nights' fable of "The Fisherman and the Genie". In the genie tale, a fisherman nets a small vessel - the atom - and as he opens it a frightening genie - atomic energy - comes forth with the promise of death. But the fisherman tricks the genie back into the vessel and refuses to release him until the prisoner promises him the fulfillment of three wishes. This is Disney's atom story in a nutshell. The animated sequences translate scientific abstractions into commonly understood terms or symbols.

BOB HOPE heads the Chevy Show cast Friday night. Also making guest appearances will be Betty Grable and her trumpet-playing husband, Harry James. Also Eddie Fisher.

CAR THEFT, a new film produced in Buffalo and starring teenagers of that area, will debut Sunday afternoon, January 27, at 4 o'clock on Channel 4. It tells of the events leading up to the theft of a car by teenagers and the disastrous effects this act can cause. The growing community problem of teenage car thefts will be discussed by a panel of teenagers following the film.

RINGSIDE SEAT, the Ford Theater February 27 production, will star Hugh (Wyatt Earp) O'Brien as a prizefighter. The role is a natural for O'Brien who had 36 fights while in the Marine Corps and won 35 of them, 18 by knockouts.

AIR POWER, next Sunday, tells the story of how the US Navy and Air Force broke the back of the Japanese aircraft carrier forces at the battles of Midway and the Coral Sea in "The Japanese Perimeter".

THE MIRACLE WORKER, on Playhouse 90, February 7, will star child actress Patty McCormack, who achieved fame in the Broadway play and movie, "The Bad Seed". Miracle Worker is the story of Helen Keller's childhood and how she overcame her handicaps.

QUITTING . . . Art Carney apparently is tired of being second man to Jackie Gleason. He will leave Gleason next season and is

MAY SELL . . . Don't be amazed if Paramount makes the sale of Hollywood films complete by joining other studios in the march to tv. It may sell all pre-1948 movies for a price of \$50 million. (We think Hollywood better sell its movies before they lose their value. With the movies having lean days at the ticket window, tv and the studios will be teaming up to make current productions. Old films will lose their demand.)

FAVORABLE REPORT . . . You can expect a report by FCC which will renew the Erie tv license for Edward Lamb. He was charged with being too friendly with leftists, but the charge never has been supported with facts. He recently sold his Dispatch Herald to the Erie Times.

GET A LICENSE . . . Microwave relays to bring reception into fringe areas, such as ours, cannot be used without a license. Innocently, a few have installed the relays in some parts of the nation and now are under the crack-down.

NO HELP . . . Doing us no good

is the non-commercial educational series that is being started by NBC. Subjects covered are mathematics, music, government, literature, world geography, and economics. But none of the educational stations enjoying the benefits can be heard here. The closest is WQED in Pittsburgh.

FUTURES

ZORRO the romantic figure created by Johnston McCulley will be done by Disney in a series next season. Disney has signed for \$9 million to do several programs with ABC.

Julie Harris as "The Lark", February 10 . . . World premiere of "La Grande Breteche", new American opera by Stanley Hollingsworth, February 10 . . . Photoplay Gold Medal awards to be given on Lux Video Theatre, February 7 . . . Emmy Awards nominations ceremony, February 16 . . . Five hours of color on four major tv programs, The Perry Como Show, Ruggles of Red Gap, The Alcoa Hour, and Mayerling, February 2 to 4. Color is coming in.

ASIDES

CHANGES NAME

The Hospital Service of Pittsburgh now is called the Hospital Service of Western Pennsylvania. This Association was the first to offer Blue Cross protection in Pennsylvania. It has offices in Pittsburgh, Altoona, Erie, and Johnstown.

Since it started as a non-profit prepayment plan in 1937, with a grant of \$20,000 from the Buhl Foundation, subscribers have received \$260,000,000 in benefits, and now are entering the hospitals at the rate of one every one and one-half minutes. There now are five Blue Cross plans in the state and eighty-six in the United States, Canada, and Puerto Rico, with 53,000,000 subscribers.

MORE WORKING

Employment in Warren county hopped up a mite from October to December. The increase was sixty-one, nearly one per cent of the 7,988 jobs reported by 49 firms. All of them were male workers. There was no change in the feminine ranks.

Jobs increased in 1956 from 7,601 to 7,988. However, 274 persons were receiving unemployment compensation in December as contrasted with 245 a year ago.

JOINS HEREFORDS

A. J. Weiler, of Warren, has been named to membership in the American Hereford association, world's largest purebred registry organization. Headquarters are in Kansas City, Mo. Accounts for eighty thousand breeders of registered herefords are kept by the Association.

WARREN BEST

The Occasional, publication of the Warren State hospital, says that this hospital has the largest number of patients on leave of absence of all the Pennsylvania state hospitals. Warren had 1,565 on leave in September when there were 3,149 in the hospital. The state's hospitals have 39,857 patients, with 9,461 on leave.

Warren's percentage obviously is much better than the state average. Danville is second with enrollment of 2,704 and 1,063 on leave. Norristown has 4,590 patients and 1,122 on leave.

A ROAD CONTRACT has been awarded to Sack Bros., Inc., of Jamestown, by the Allegheny National Forest office, according to Supervisor E. M. Bacon. A little over ten miles of Ludlow-JoJo Forest Development road in McKean county will be improved. This is an entrance to the Tionesta Natural and Scenic Area, 4400 acres of virgin timber, preserved for the pleasure of our and future generations.

SCHOLARSHIPS GIVEN by General Motors now are available to Warren area high school seniors. Information concerning the four-year scholarships can be obtained from the guidance office. GM gives 100 a year, at least one to a state and fifty at large.

PSYCHIATRIC Technicians have been added to the classification plan for the state welfare department, welcome news to such classes in all Pennsylvania hospitals. Helping to obtain the approval were Jack Henry, Charles Hagen, and Dr. Robert Israel. Salary ranges from Grade 14 to Grade 22 are \$3,380 to \$6370.

ONE MILLION manhours of work without a lost-time accident is being claimed by the Manufacturers Light and Heat Co. Engraved cigarette lighters will be given to all employees felt responsible. These include Earl Conners, Sam Maze, Irvin Swartz, Lester Horton, James McGuire, Donald Haines, Cecil Oyler, and George Peterson, all connected with the Kanestation.

LEADERS of the Cancer Society's coming campaign who met with workers at the YWCA last week were (l. to r.) Miss Margaret E. Wright, publicity chairman; James Wright, campaign chairman; Mrs. Mina Rieder, local executive director; and Frank Perrin, campaign co-chairman.

A DESSERT LUNCHEON for the Warren County Cancer Society fund drive was held in the YWCA last Thursday afternoon.

**Peanuts
are our
business,
too...**

We had a talk with a young man the other day about money. He said: "You wouldn't want my account; it would just be peanuts."

We were quick to point out how we do feel about it:

Some of our accounts start with a dollar or two. Some run to very large figures. Some of the big ones started very small; and whether the small ones grow or not, they give us a real chance to be of service to people who need us.

We like "peanuts." Bring them in, any time!

Happy Sister Sue—with a phone all her own

There are times when a teen-ager craves privacy for telephone conversations (and, heaven knows, parents don't want to listen!). That's why everyone is happier with an additional telephone in the teen-ager's room. Additional telephones through the house—kitchen, bedroom, den, basement—make life easier, more comfortable, more efficient. And they can be in color if you wish. Just call our Business Office.
